

Powerful airflow. Stable, adjustable design.

The MAN FREAL-2020 is a portable 20" air floor fan designed for homes, offices, workspaces, and other indoor areas. Its three-speed control, heavy-duty motor, and 360-degree adjustable airflow make it a practical companion for air-conditioning systems.

For Offices & Commercial Spaces:

Improves air-conditioning efficiency by evenly distributing airflow across large areas, eliminating dead heat zones.

For Home Use:

Features a robust, permanently lubricated heavy-duty motor designed for continuous operation without overheating, backed by official NOM, UL certifications.

Portability & Design:

Easy to transport from room to room thanks to its integrated handle and wide antitip support base.

20" BLADE DIAMETER

3 SPEED SETTINGS

360° AIRFLOW ADJUSTMENT

Technical Specifications

Model	FREAL-2020	Brand	MAN
Blade diameter	20" (50 cm)	Blade material	Polypropylene
Blade configuration	5 blades	Speed control	3-speed rotary switch
Motor	Heavy-duty, permanently lubricated	Electrical rating	120 V ~ 60 Hz, 125 W
Energy consumption	121.2 Wh	Motor speed	1,400 - 1,450 RPM (maximum speed)
Airflow	Approx. 3,600 CFM	Air direction	Adjustable up to 360°
Net weight	8.6 lb (3.9 kg)	Dimensions	23.62 x 25.39 in
Certifications	NOM, SGS		

Stable base

Wide support base helps keep the fan secure.

Easy transport

Integrated handle for convenient portability.

Indoor use

Suitable for homes, offices, and indoor work areas.
