

PROFESSIONAL POWER — ICE CRUSHER, SMOOTHIE MAKER & DRINK MIXER

Powerful 1000-watt motor (≈8.3A at 120V) crushes ice, blends smoothies, and mixes drinks along with salsas, sauces, dressings and more everyday recipes.

7 SPEEDS WITH 3 PULSE SETTINGS

Choose from 7 speed settings, including 4 direct speeds and 3 pulse options, for greater control over texture and consistency when blending different ingredients.

3. 50 oz (1.5L) BPA-FREE GLASS JAR — NO PLASTIC TASTE, EVER

Unlike blenders with plastic pitchers, the heat-resistant glass jar never absorbs odors, stains, or scratches — generous capacity for drinks, sauces, dressings and family-size recipes.

6 SERRATED STAINLESS STEEL BLADES — ICE CRUSHER & NUT GRINDER

A six-blade stainless steel system efficiently crushes ice, grinds nuts and sugar, and processes smoothies and sauces for consistent, everyday results.
